

Bound by ankle and wrist shackles, escaping convict **Dred Scott** dodges the law in **TITAN Media's** sexually-charged outdoor manhunt of the year: *Trespass*. Roaming the countryside in search of freedom, the elusive Scott is pursued onto private property where bare-chested ranchmen breed under the crisp blue sky.

Temporarily avoiding capture, Scott spies out several bounty studs securing more than the surrounding area. While standing on a log in an open field, **Michael Brandon** unleashes his 12" dick for sexy **John Galt**. Tautly muscled and dark haired Galt proves that he can skin as well as track his prey. The two hunters flip-flop fuck with reckless abandon drawing the attention of fellow hunter **Jett Adler** with the sounds of their pleasure. Overcome by their rutting, scruff-faced Adler lays his rifle against a tree and beats his own meat to climax. In the background, Scott lifts the rifle and slips undetected back into the rolling hills as the hunters shoot.

Continuing to make his escape, Scott spots handsome, auburn-haired ranchman **Makos Servano** mending fence beside his open-doored pick-up. Blond, hairy-chested **Scott Parker** approaches Servano and delivers his definition of an afternoon lunch in the summer sun. While those two are feeding one another, Scott sneaks up to the truck, removes a pair of bolt cutters, and heads out of sight. Unaware of what has happened, the two hunks reposition themselves on the bed of the truck for a rigorous ass-pounding engagement. Their intense fuck session doesn't go unnoticed. Bounty hunter **Alexandros** drives up and swings his massive chest out of his jeep to relieve the thick crotch bulge in his jeans. He shoves Makos aside and pumps his uncut cock into Parker. Alexandros is a fucking machine, pushing Parker to an orgasm, and then sliding his foreskin covered head into Servano. Cum covered ranchmen is what Alexandros ended up having for lunch. Time to get back to work. He jumps back into his jeep and heads off. Meanwhile, Scott frees himself of the shackles and continues to elude the bounty hunters.

Cautiously moving through the ranch, Scott spies Alexandros blowing **Andrew Addams** behind a water tank. The sucking immediately turns to high flow water sports between the men leaving no room for outside distraction. Both are completely doused with geysers of piss - Addams drinks and licks it off Alexandros with a delicious grin. Their energetic and creative water play ultimately results in a switch-hitting fuck session. Both take enthusiastic turns bent over the haystack receiving hard ass slaps and probes. Scott slips by unnoticed.

Ranch foreman **Dan Dirk** comes across the shackles left by Scott. His handsome face looks worried as he radios for some assistance. Submissive bounty man and eager pleaser **Billy Wild** arrives and delivers an incredible blowjob on Dirk's huge uncut cock, putting both minds at ease.

Splashing in the river nearby, two gorgeous hunks are cooling off from the summer's heat, revealing every inch of their manhood to lurking eyes. **Patrick Knight**, a light-haired muscle man with a moby-sized dick, and his buddy **Bruce Warren**, a beautiful red headed southern-like man are building their own sexual heat with each other. Wild is enticed with double the meat. Knight and Warren take turns burying their thick rods into both eager ends of Wild - each man showing immense satisfaction.

Unbeknownst to them, the determined Scott observes it all from a tree and swoops down to steal their civilian clothes. Noticing that Knight's clothes are missing, the men radio back to the ranch for assistance. Gorgeously buffed, blond, all-American country boy **Tom Daniels** rides in on a horse with fresh clothes. Instead of using the clothes, both spirited studs Knight and Warren remove Daniels' overalls to take advantage of his perfect round butt. The top hunks tag team and fuck him to a satisfying climax. His country boy's ass was made for pumping!

Later in the day, Knight spies Scott and demands the return of his clothes. A ruggedly stern Scott insists that if Knight wants his clothes back, he needs to remove them from his body. Scott raises his arms in confidence to lead Knight closer to him. The wrestling to regain what is his turns out to be a hardcore piston fuck by Scott. He drills Knight in every position his dick can slam. Knight, the once controlling dominant hunk goes bottom up as he craves Scott's cock drilling session. Scott rides Knight's muscular haunches with the pride of a lion and stares down the camera until firing off his explosive cum shot.

As evening approaches, Scott encounters ranch foreman Dan Dirk and quickly turns the man into an enthusiastic boy by ruthlessly dominating and pounding his ass on a haystack. Not completely finished with him yet, a very relaxed Scott proceeds to fist him near an open fire pit. Dirk's hole is truly inviting, welcoming Scott's strong yet supportive hand. Independence never felt better.
