

The ManPlay series is taking a hot 'n fresh new direction. Building on the classic loops of porn's golden age, the new ManPlay scenes of duo and threeway action bring you the same hot 'n hairy guys having the sweaty, all-out mansex of traditional TitanMen features, but at the traditional ManPlay lower price.

**ManPlay 22: HardWork** is called that because its three scenes feature carpenters and builders. But that's just a theme. There's no dialogue or plot to hold up the action. These fuckers drop the tools of their trade about as quickly as they drop their jeans. And they're some mighty special guys. The stunning men of **ManPlay 22: HardWork** include the three new TitanMen exclusives who busted your balls in Big Muscle. Dangerously explosive **Chuck Scott** and muscle stud **Tober Brandt** are pure combustion when paired together for the first time, and tattooed, wild 'n wooly **Logan Steele** gobbles up cocky newcomer **Derrick Hansen**. Getta load of the juicy knob on top of this guy's steely shaft! **Cam Kurtz** is a frisky young man who has the most deliciously smooth, long and uncut cock you'll see for a long time. It gets a rough workout from unshaven studs **Ben Harrison** and **Alex Brawley**. These new faces blast into a three-way gangbang that plugs holes all around.

### Scene One

Chuck Scott tops Tober Brandt. Taking a load off the truck is hard work. Workin' a load outta your buddy is much more rewarding. Chuck Scott hauls a mighty piece of meat outta his coveralls, and doesn't have to wave the fat all-day sucker twice to make huge muscle hunk Tober Brandt drop to his knees. Brandt's an avid cocksucker, but gags on the skull fuck he gets from horny Scott, who's soon pumping white pellets of cum onto Brandt's yard-wide pecs. Receiving the steamy gift as he kneels below the ferocious god, Brandt's cum-juice spurts. That was just a warm-up round, and the high-energy bout roars on. Scott goes ballistic over Brandt's white and solid ass, burying his face deep between the blooming cheeks. Sturdy buttmaster Brandt can barely withstand the force of Scott laying the pipe into him. Brandt's cock swells, and his huge muscles strain to the max under the assault. Scott brutalizes that butt with such force that Brandt's junk breaks loose and flies, and, once again, Scott unloads his own hot treasure on Brandt's heaving muscles.

### Scene Two

Ben Harrison and Alex Brawley top Cam Kurtz. And vice-versa. Cam Kurtz's hot young cock stiffens to an incredible length when he sees smooth Ben Harrison and hairy-chested Alex Brawley going at it. He caresses its marble smoothness, and works a tasty foreskin over his moistly glistening cockhead. He drops to his knees and buries their cocks so deep in his throat that Brawley's load spurts onto him. Kneeling before his buddies, Brawley sucks the hot gravy outta their cocks, and catches it in his palm so the hungry men can lap it up. Then the ass work begins. Brawley rims and fingers Kurtz's hairless hole, spreading the tender tunnel wide, prepping it for Harrison's chunky cock to fill. Brawley's cock plugs the heated hole, too, until there's a sudden turn-about, and Kurtz eagerly claims Brawley's ass, fucking it with jackrabbit cock-punches. The versatile buddies swap cock and ass fast and furious between them until their overheated tools heave up steaming man-loads.

### Scene Three

Logan Steele eats up Derrick Hansen. Derrick Hansen's lean and smooth, with gold rings shining in his nipples. Bearded Logan Steele is thick and hairy, with tattoos and a shaved head. These dudes really get into oral action. Steele pumps the thick sausage between his legs and gorges on the big tasty knob that tops Hansen's steely cock. Hansen gulps down Steele's solid rod, the cock-gag muffling his moans when his cream machine erupts in high arcing spurts. Logan throws Hansen on the worktable, pushes his legs back, and sinks his tongue deep into Hansen's winking wonder hole for some serious ass-sucking. When his mouth is finally satiated, Steele attacks Hansen's pretty porthole with his cock, pulling out and slamming back in. Sweat pours off the scorching duo, and their colossal cocks explode. If you want just the hardest action, go for **ManPlay 22: HardWork**. The first of the new no-plot, no-wait ManPlay features, **ManPlay 22: HardWork** is just the men, the meat, the motion.
