

Cirque Noir is gonna shake you down even if you're not scared by performers with names like Rimjob the Klown, or The Man with a Pussy. You'll be spewing your cum as you're crying for mamma. Because when TitanMen goes over the top, it isn't rhinestones and feathers. We go over to the Big Top, and it's a big red rubber nose stuck up your ass. And that's just loosening it up for a fist or two. **Cirque Noir** whirls you 'round to places you've probably never expected to go. Watch, as your expectations of what is hot are tortured, tickled and twisted. Two of the kinkiest scenes ever filmed bookend a pair of extended length three-ways featuring the fiercest fucking Titan's put on film.

TitanMen exclusive stars Spencer Quest, Tober Brandt, and Logan Steele are joined by the ass-tounding and aptly named Stretch as they pound each other down, roaring from chain fuck and maxisized double insertions into reams of passionate fisting. These big boys pause only to hose down under golden showers of warm man piss. The cast is headed by TitanMen exclusive **Spencer Quest** (*Spy Quest*; *HORSE: Fallen Angel 5*), along with the new TitanMen exclusives who scorched up *Big Muscle*, **Tober Brandt** and **Logan Steele**. Making one of the most sensational gay porn debuts ever is the incredibly butch **Buck Angel**, aka "The Man with a Pussy." Also making their debuts are **Ouchy the Clown**, his sidekick **Rimjob the Klown**, and filthy playing, young blond hottie Richie Rennt. The 12 man cast is completed by TitanMen favorites **Joey Russo** (*HORSE: Fallen Angel 5*; *Riders*), **Cobalt** (*ManPlay 21*), **Ivan Grey** (*ManPlay Xtreme3*), **Stretch** (*ManPlay 21*), and, new to TitanMen films, **David Garcia** as a fire twirling voyeur. **Cirque Noir** was directed by Brian Mills (*Spy Quest*). The excitingly carnal carnival music, ambient and edgy, was composed by first time Titan contributor, Fledgling.

Scene One

Conquered by Clowns. Ouchy the Clown, Joey Russo, Rimjob the Klown. Does Joey Russo get more than he bargained for when he's selected by Ouchy the Clown for some audience participation? It doesn't seem like it. Writhing under the blows of Ouchy's lash, Russo's cock grows rock hard. And harder still when Ouchy pisses on him, the gold streams running off his shiny butt and into the gaping mouth of Rimjob the Klown, lying below. Rimjob bathes in Joey's piss, too, and beats out a heavy load when his cocksucking makes Joey spray scalding jizz. Joey crams four fingers deep into Rimjob's ass, fucks him, and beats him off. Just watching his sidekick subdued makes Ouchy blow his nut, and Joey's cock spits cum globs across Rimjob. A double-ended dildo snakes into Rimjob's slicked-up slop chute, and when Ouchy promises, "You'll like this!", Joey fists the sex-crazed Klown deep and determined.

Scene Two

Hole Gymnastics. Cobalt, Spencer Quest and Stretch. Gymnasts are at their most beautiful when performing in the nude, and Cobalt's ripped body is glorious as he hangs upside down, sucking Spencer Quest's juicy tool. When Stretch is lured onto the scene by Cobalt's thick and heavy cock, a hole-hunting holiday begins. In the middle of a fuck chain, Quest plows Cobalt's granite ass, as he's creamed from behind by Stretch. And the pecker paste is jet propelled. Stretch and Cobalt lay with legs entwined, and Quest reams his rump onto their double dynamite sticks, his cock careening and then creaming along with Cobalt's. Stretch spears himself on Cobalt's still hard harpoon, bouncing and beating off 'til the lava erupts. Insatiable, Stretch punch fists his own rosebud, Quest gets his fist in, too, and Cobalt cums a third crazy time when cramming both his cock and fist into Stretch's hot hole.

Scene Three

Roustabouts Reamed. Logan Steele, Ivan Grey and Richie Rennt. Roustabouts Grey and Rennt quit their clean-up duties for make-out. Thick set, hairy chested manhammer Logan Steele throws a thrill ride into Rennt, seconded by the tattooed Grey. Steele straddles them, showering the pair with an unending deluge of warm piss. Grey laps it up, and the men blow their balls out. After Grey's fist slides up Rennt's tight young hole, Rennt shouts, "Cool that hole down!", and Steele pisses into the wide open hole.

Scene Four

The Great Switch. Buck Angel, Tober Brandt and Logan Steele.

When humpy stud Tober Brandt foolishly challenges power lifter Buck Angel, he gets his tits tortured and his massive pecs punched. Muscle mountains Angel and Logan Steele strip Brandt down, smack and batter his rock hard bone, split the massive mounds of his ass with their deep-digging tongues, and face fuck him 'til he's tearyeyed and gagging. And everybody's grunting like gorillas when the goo goes off. Angel lubes Brandt's bounteous ass, and guides Steele's cock in like hellfire before fucking the beaut's brawny buns himself. But Angel's cock looks a little too perfect— it's really a shock when Brandt's vise-grip glory hole pulls Angel's strap-on off, revealing his secret: he's a man with a pussy. A shaved and pulsing, hungry man-cunt. Brandt buries his face in the juicy cooze, and then slams his fat cock deep inside. Only a real man can get his cunt pounded this hard, and Angel takes it screaming, and the sweaty, sex-crazed men blast their loads. But you ain't seen nothing yet. Angel pisses on Brandt, and the muscle stud laps at the man-cunt lips for golden juice, as Steele showers them both from above. After the drenching, Angel fists both men simultaneously. Did you think there wasn't another sensation this trio could dish up? Steele screws himself onto a gigantic black dildo 'til it disappears, and the mighty Brandt screams damnation and nearly cries with Angel's last ditch fisting assault.

Cirque Noir is one sexy, scary, sensationally twisted fuck of a movie. After its three full hours, TitanMen gives you the best bonus interviews (Buck Angel tells all!), photo shoots, behind the scenes, cum shoot compilations and more!
